

**PRIME MINISTER OF
GOVERNMENT**

No. 1290/QĐ-TTg

SOCIALIST REPUBLIC OF VIETNAM
Independence - Freedom – Happiness

Hanoi, 26 September 2007

DECISION

ON

**Issuing National Project Portfolio Calling for Foreign Investments
for the Period from 2006 to 2010**

PRIME MINISTER OF GOVERNMENT

Pursuant to the Law on Governmental Organization dated 25 December 2001;

Pursuant to Directives No. 15/2007/CT-TTg dated 22 June 2007 given by the Prime Minister of Government on some key solutions for promoting foreign investments to Vietnam;

In considering the proposal of the Minister of Ministry of Investment and Planning,

DECICE:

Article 1. Issue of National Project Portfolio calling for foreign investments for the period from 2006 to 2010 as attached herewith (hereinafter referred to as “Portfolio”).

The Portfolio may from time to time be adjusted as each specific stage of development process requirements may be.

Article 2. Portfolio-specified projects are key projects which have been approved as policy for investments.

Ministries, branches, and localities are responsible for coordinating with, supporting foreign investors in preparing projects and throughout the project-implementing period.

Depending on the scale and nature of each project, the Prime Minister of Government may decide to establish a working group which includes competent representatives of ministries, branches, and localities to timely, effectively deal with particular matters of the projects.

Article 3. Subject to the Portfolio, concerned ministries, branches, and localities coordinate with the Ministry of Investment and Planning to build project-introducing materials as basis for mobilizing investors.

Article 4. Ministry of Investment and Planning shall be as key actor to collect the issue of investment certificates for projects in the Portfolio; in coordination with the Ministry of Finance and related ministries, branches, and localities, study to propose preferential treatment, support policy for investments in exclusive projects and submit to the Prime Minister of Government for review and decision.

Article 5. This Decision shall take effect after fifteen days as from the date of Public Gazette, and replace the National Project Portfolio Calling for Foreign Direct Investments for the Period from 2001 to 2005 as issued in attachment with Decision No. 62/2002/QĐ-TTg dated 17 May 2002 by the Prime Minister of Government.

Article 6. Ministers, heads of ministry-equivalent offices, heads of governmental offices, chairmen of centrally-controlled provinces and cities, management boards of industrial parks, economic zones, and hi-tech parks, are responsible for implementing this Decision./.

Prime Minister

Signed and sealed

Nguyen Tan Dung

88	Coal-driven thermoelectric power plant (Kien Giang II)	Kien Giang.	Capacity: 2x600 MW. Expected operation: 2015 - 2016.	BOT/BOO	Ministry of Trade and Industry. Telephone: 84-4-2202411, fax: 84-4-2202525.
89	Factory manufacturing transformers for electric power transmission	Hai Phong, Quang Ninh, other qualified localities	Capacity: over 110 KV.	100% foreign-owned, joint venture	Department of Investment & Planning of Hai Phong. Telephone: 84-31-842119, fax: 84-31-842021.

5. Liquefied oil refinery and chemicals industry, chemical industry

Order	Projects	Locality	Technical Specifications	Form of Investments	Note
90	Nghi Son liquefied oil refinery and chemicals complex	Thanh Hoa.	Capacity: 7 - 9 million tons per year. Expected invested capital: US\$ 5 billion	100% foreign-owned, joint venture	Vietnam Oil, Gas Group. Telephone: 84-4-8252526, fax: 84-4-8249126.
91	#3 Oil refinery plant	Long Son, Bà Rịa - Vung Tau.	Capacity: 10 - 12 million tones of crude oil per year. Expected invested capital: US\$ 5 - 6 billion.	100% foreign-owned, joint venture	Vietnam Oil, Gas Group. Telephone: 84-4-8252526, fax: 84-4-8249126.
92	Projects for exploring oil and gas	Tonkin Gulf: Lots 110, 113, 114; Central: Lots 115, 121, 123, 125, 126, 127. South Con Son: Lots 18, 19, 20, 21, 22, 23, 24; Southwestern sea: Lots 41 - 45.		Product-sharing contracts; oil, gas contracts	Vietnam Oil, Gas Group. Telephone: 84-4-8252526, fax: 84-4-8249126.
93	Southern petrochemical plant complex	Ba Ria - Vung Tau.	Producing Ethylen, Polyethylene, Causticsoda-Chlorine-EDC/VCM Complex. Capacity: 1.5 million condensed tones per year, with consideration of gas yield. Expected invested capital: US\$ 2 billion.	Joint venture	Vietnam Oil, Gas Group. Telephone: 84-4-8252526, fax: 84-4-8249126.
94	Gas pipeline of Lot B – O Mon.	O Mon, Can Tho.	Capacity: 6 - 7 billion cubic meters per year. Expected invested	Joint venture	Vietnam Oil, Gas Group. Tel: 84-4-8252526, fax: 84-4-8249126.

Order	Projects	Locality	Technical Specifications	Form of Investments	Note
			capital: US\$ 810 million.		
95	Petrochemical industrial complex	Cam Ranh.	Construction of petrochemical industrial complex, including thermoelectric plant, to produce Etylen, Etylen glycol, EDC, Butadien, Aromatic, soda from imported Naphta. Area: 300 hectares. Expected invested capital: US\$ 1.2 tỷ billion.	100% foreign-owned, joint venture	Department of Investment & Planning of Khanh Hoa. Telephone: 84-58-824243, fax: 84-58-812943.
96	Poly Terephthalat Acrylic (PTA) producing plant	Thanh Hoa.	Capacity: 320,000 tones per year. Expected invested capital: US\$ 270 million.	100% foreign-owned, joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
97	Liner Alkyl Benzen (LAB) producing plant	Dung Quat, Quang Ngai.	Capacity: 30,000 tones per year. Expected invested capital: US\$ 45 million.	100% foreign-owned, joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
98	Synthetic Fiber (PET)-producing factory	In the South	Capacity: 300,000 tones per year. Expected invested capital: US\$ 300 million.	100% foreign-owned, joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
99	Caustic Soda-Chlorine-EDC/VMC-MgO producing factory	Miền Trung.	Công suất: 200.000 tấn xút quy 100% of NaOH per year; 180,000 tones of Chlorine per year; 150,000 tones of VCM per year; 15,000 tones of MgO per year. Expected invested capital: US\$ 220 million.	100% foreign-owned, joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
100	Olefin and PE plastics-producing factory	In the Central and the South	Capacity: 600,000 tones per year. ăm/năm. Expected invested capital: US\$ 1,178 million.	100% foreign-owned, joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
101	Soda producing factory	In the Central	Capacity: 200,000 tones per year. Expected invested capital: US\$ 85 million.	100% foreign-owned, joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
102	Carbon Black producing factory	In the Central, Dung Quat Economic Zone, Quang Ngai	Capacity: 50,000 per year. Expected invested capital: US\$ 40 million.	Joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
103	Poly Styren producing factory.	Dung Quat Economic Zone, Quang Ngai	Capacity: 100,000 tones per year. Expected invested capital: US\$ 100 million.	100% foreign-owned, joint venture	Vietnam Chemicals Corporation. Telephone: 84-4-9331503, fax: 84-4-8252995.
104	Pigmen Ilmenhit	Ha Tinh, Vung	Capacity: 30,000 tones	Joint venture	Mangement Board of Vung Ang

Order	Projects	Locality	Technical Specifications	Form of Investments	Note
	producing plant	Ang Economic Zone	per year. Expected invested capital: US\$ 300 million.		Economic Zone. Telephone: 84-39-881237, fax: 84-39-882992.

6. Building Materials and Construction

Order	Projects	Locality	Technical Specifications	Form of Investments	Note
105	Thanh My Cement plant	Quang Nam.	Capacity: 1.4 – 1.8 tones per year. Revolving burner engineering. Expected invested capital: US\$ 250 - 300 million.	100% foreign-owned, joint venture	Department of Investment & Planning of Quang Nam. Telephone: 84-510-810866, fax: 84-510-810396.
106	Ngoc Lac Cement plant (west of Thanh Hoa).	Thanh Hoa.	Capacity: 1.4 - 2 million tones per year. Expected invested capital: US\$ 225 million.	100% foreign-owned, joint venture	Department of Investment & Planning of Thanh Hoa. Telephone: 84-37-855485, fax: 84-37-851451.
107	Song Gianh Cement Plant (Stage II).	Quang Binh.	Capacity: 1.2 million tones per year. Expected invested capital: US\$: 200 million.	100% foreign-owned, joint venture	Department of Investment & Planning of Quang Binh. Telephone: 84-52-824635, fax: 84-52-821520.

7. New Technology, Hi-Tech Industry

Order	Projects	Locality	Technical Specifications	Form of Investments	Note
108	New technology, hi-tech projects in Hoa Lac Hi-tech Park	Hanoi, Ha Tay	Projects appraised for areas of new technology and hi-tech; training institutions for provision of high-qualified human resource	All forms	Hoa Lac Management Board of Hi-Tech Park. Telephone: 84-4-2511478, fax: 84-4-2511529.
